# FRESCO FRIZZANTE 2024

**A refreshing, fruity sparkling wine made from typical Wachau grape varieties. Ideal as an aperitif and for parties.**

## ORIGIN & TERROIR

Carefully selected grapes from vineyards throughout the Wachau valley are vinified to Fresco Frizzante. The grapes are hand-picked from both steep terraced vineyards and vineyards on the banks of the Danube. The wine reflects the unique climate and the poor primary rock soils of the Wachau.

## VINTAGE 2024

The 2024 wine year once again illustrates the extent to which climate change is affecting agriculture. The year was characterized by extreme weather conditions, from late frosts and hail to periods of heat and heavy rain with flooding. However, thanks to the hard work of our vignerons and a precisely planned harvest, we can be very proud of the quality of our wines despite all the challenges.

## VINEYARD & CELLAR

After gentle pressing and temperature-controlled fermentation the cuvée was created. CO2 was added to achieve a lively and fresh sparkling wine with a pleasant 'mousse'. A perfectly balanced style. Work in the vineyard takes place based on sustainable and, increasingly, organic principles, without the use of insecticides or herbicides, and grapes are hand-picked.

## CHARACTER & STYLE

Subtle and compact mousseux; On the palate, the Fresco Frizzante presents itself with a slim but elegant body, the acidity and the CO2 make the sparkling wine extremely lively; the well-integrated dosage complements it in a charming way. Delicate aromas of red apple, elderflower, and stone fruit on the palate. The tangy acidity and fizziness bring vibrancy and complexity to the wine. Serve well chilled - directly from the fridge. Fresco Frizzante is a perfect aperitif and party wine, the ideal accompaniment for light starters such as Serrano ham with melon or a beef carpaccio. It is the ideal summer wine, a beach refreshment par excellence, the thirst quencher in the pool, either pure or refined with a dash of Wachau apricot nectar.
